

Before a Temporary Permit can be issued the following items are required:

- You need to download this form and fill in the correct sections. The form will need to be uploaded to vicroads.vic.gov.au/tow-truck-upload, along with the supporting documentation to support your exemption application. You will have to pay a fee when you submit your documents. Once the application is submitted, you will receive a confirmation email from VicRoads.
- A non refundable application fee is payable to VicRoads. This fee is for processing your application.

Please ensure that all sections of the application form are completed and signed where applicable and that the appropriate documentation and fees as detailed on the reverse side of this form accompany the application.

- Option 1:**
 Application for Work outside licence conditions
- Option 2:**
 Applications for substitute tow truck to be used due to mechanical failure / repair work.
- Other (i.e. bushfires)**
