

Millers Road and Williamstown Road Working Group

Connecting
our communities

Introductions

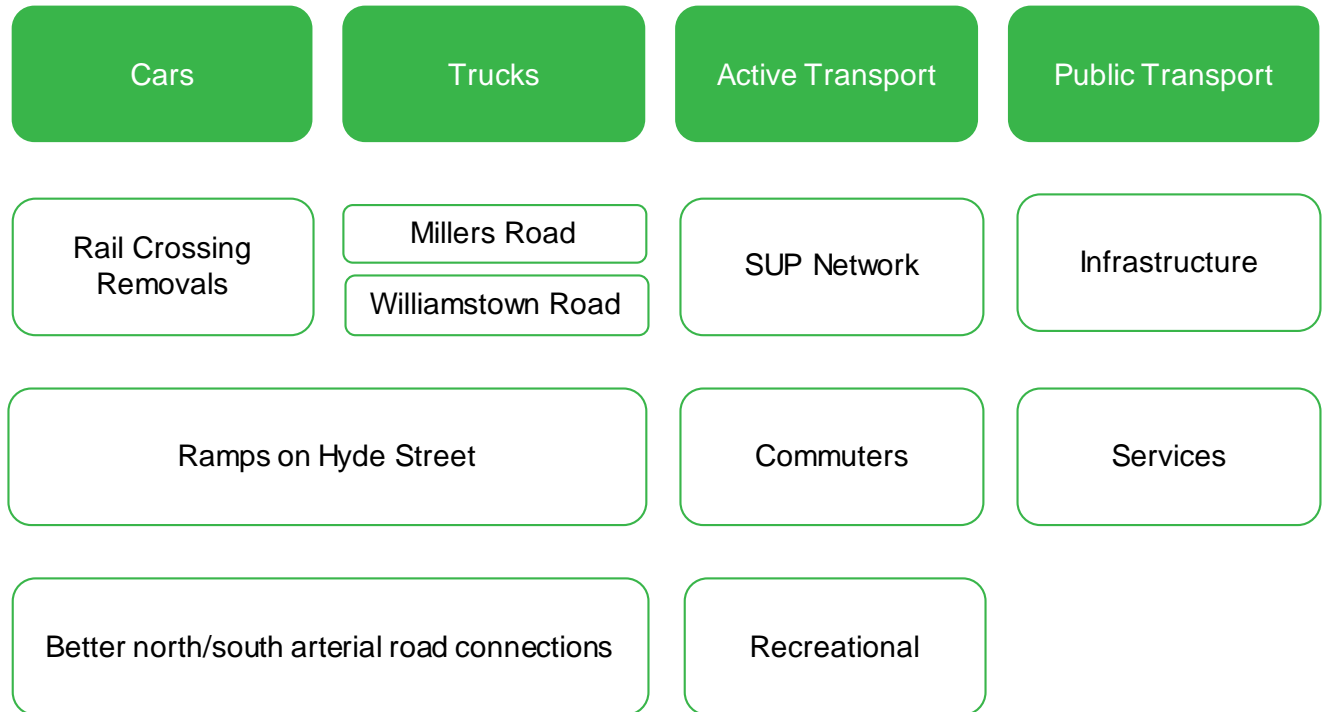

Why are we here?

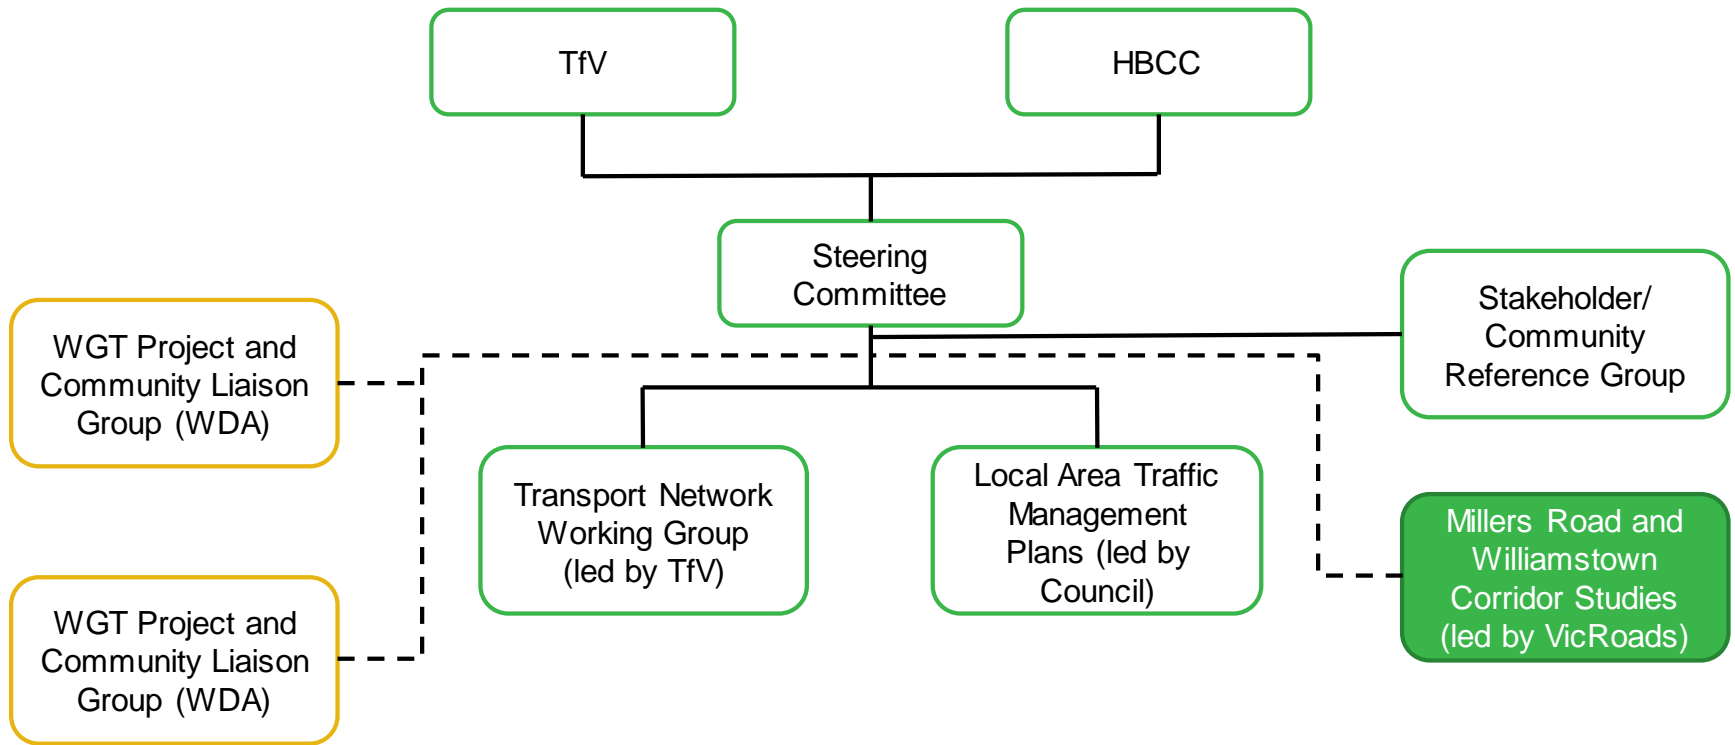

- How do we move people and freight through the area now and after the completion of the West Gate Tunnel?
- How do we balance the needs of both community and business?
- West Gate Tunnel Project
 - Impacts identified as part of the Environmental Effects Statement
 - Minister for Planning's Assessment and requirements for VicRoads

Hobsons Bay Transport Strategy (TfV)

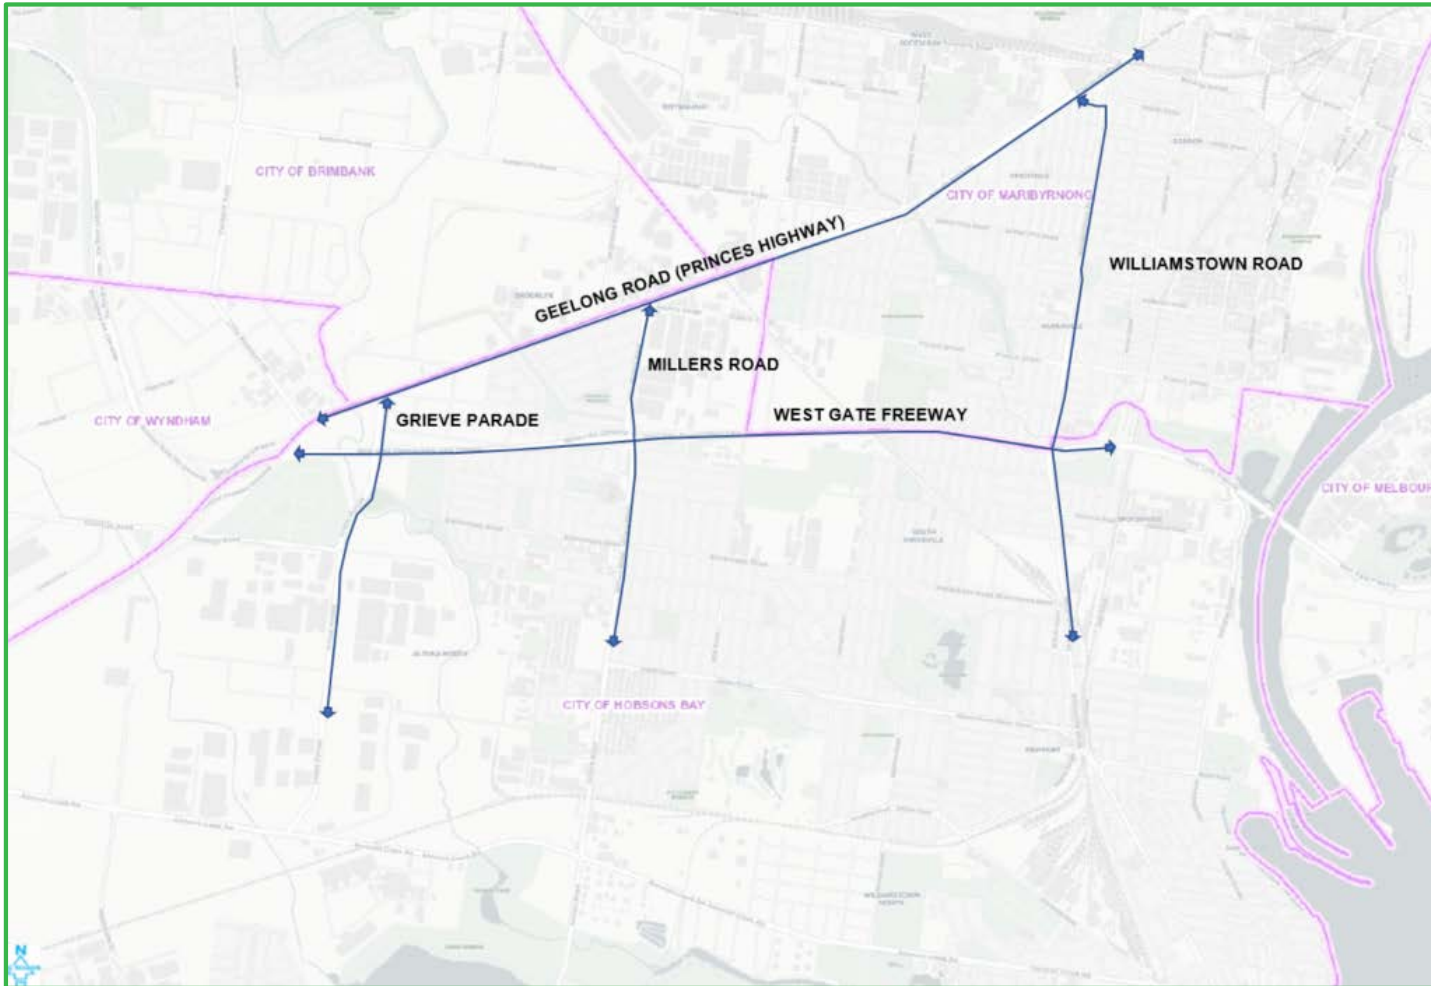

Transport Issues (existing & new)

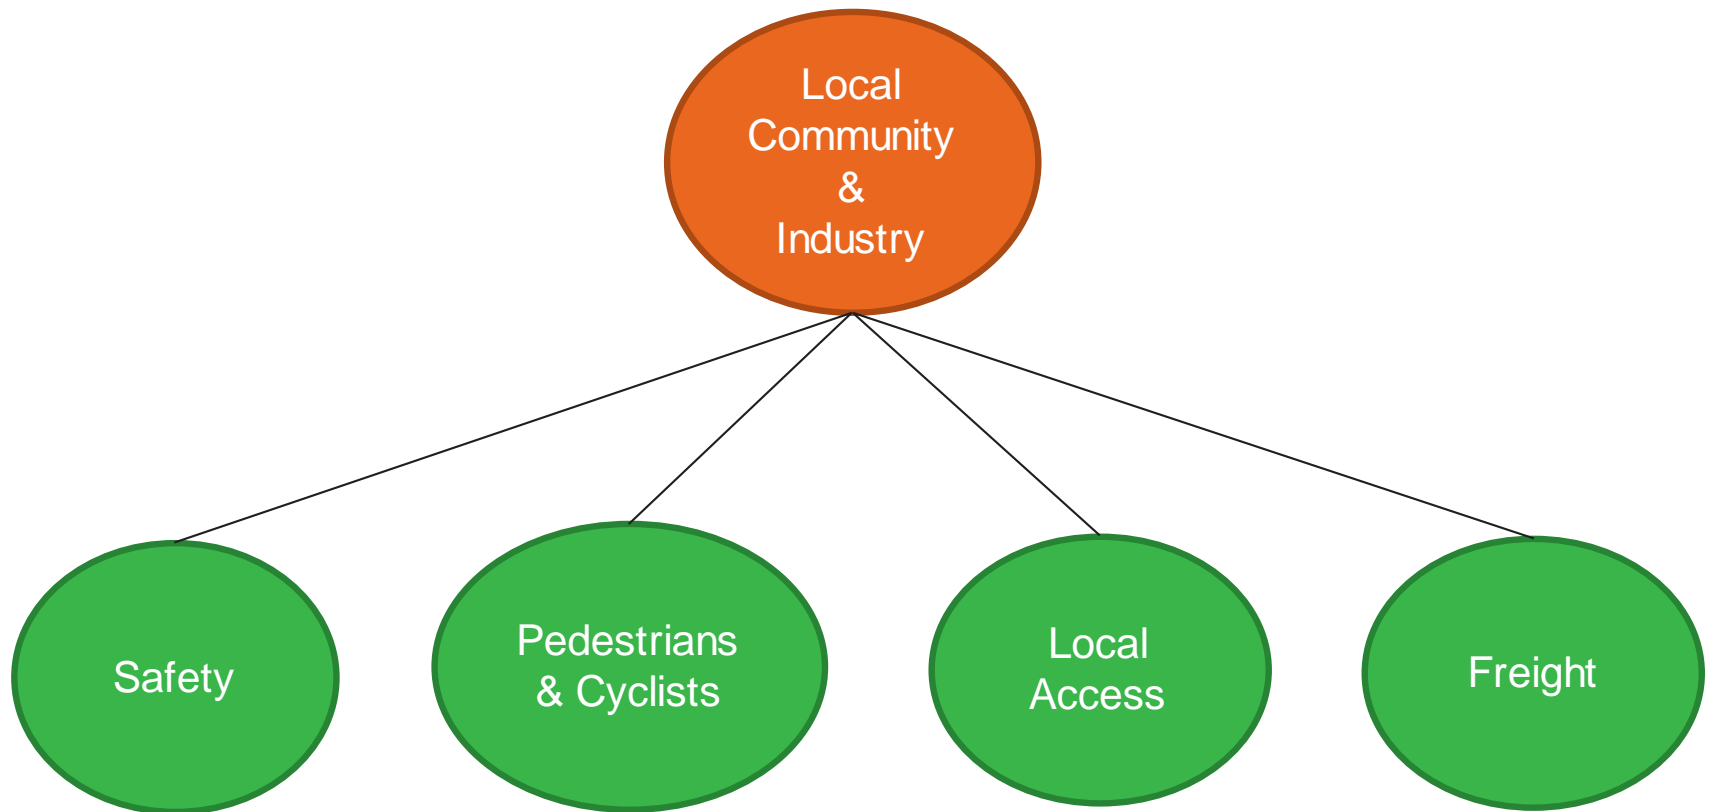

How it fits together

Area of interest

What we've heard so far

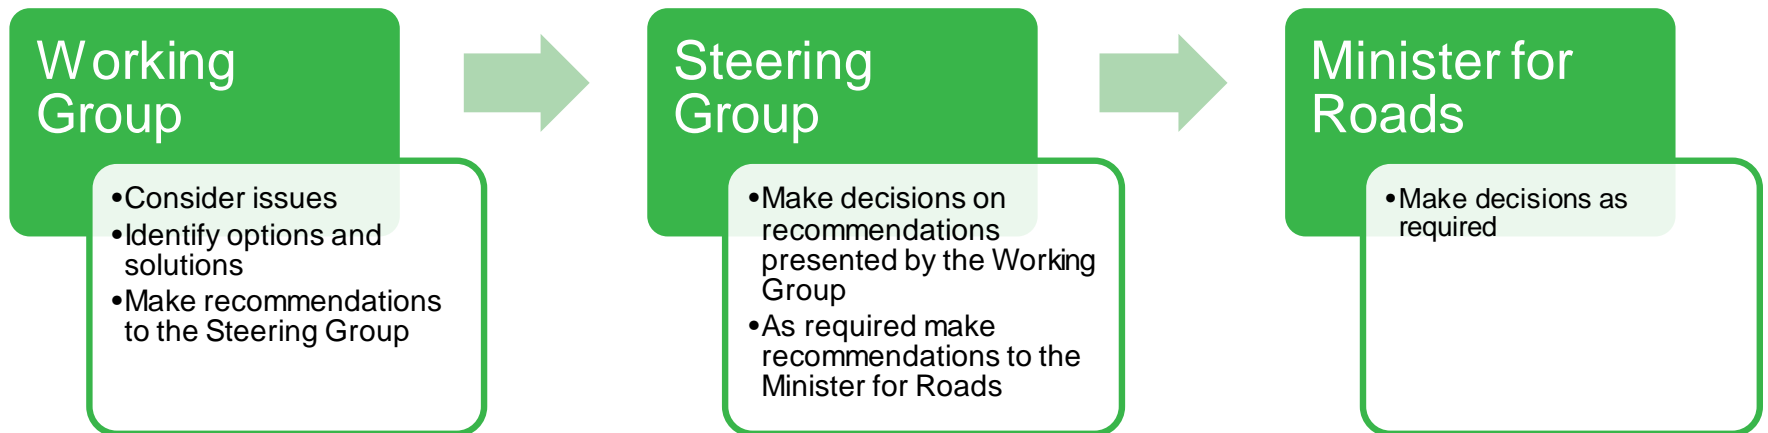

Have we missed anything?

How your input will be used

- To consider issues, solutions and make recommendations to the Steering Group

Have we missed anyone?

- Current working group members include:
 - Local government
 - Other Authorities
 - Community Groups
 - Industry Representatives
- Are all potential groups represented?
- If not, how do we recruit them?

Group discussion – What does success look like?

Next Steps?
