To notify VicRoads:

Send this completed form to VicRoads, GPO Box 1644, Melbourne 3001 or submit it to a VicRoads Registration and Licensing Office.

VicRoads will issue a new label which must be fixed to your vehicle before it is operated at its new use. The change to the nominated use takes effect on the payment date shown on the new label.

Declaration

Please read this declaration carefully before you sign it. Penalties will be enforced for operating your vehicle at a higher use than you have advised VicRoads.

I declare that the information given on this form is complete and true in all details, and that any registration label currently on the vehicle will be destroyed and replaced with the new label. I acknowledge that I must advise VicRoads of any change in the nominated use requiring payment of a higher fee, and be correctly registered before I operate at a higher use.
